Firearm Transfer Form

Instructions:

For us to receive a transfer firearm on your behalf, you must complete ALL fields listed on this form and return to us prior to the firearm being shipped to us. The regular charge for a transfer is a simple \$25 plus the TICS (Tennessee Instant Check Service) charge per transfer. All firearms shipped to us MUST come with proper documentation from the seller/shipper. If an individual is the seller/shipper then they MUST supply a LEGIBLE copy of their current driver's license complete with a GOOD, CLEAR, easily viewable, PHOTOGRAPH. If the seller/shipper is a licensed firearm dealer we must have a copy of the seller/shipper's valid FFL. A Shipping Dealer MUST enclose an ink signed copy of their FFL along with invoice or packing slip indicating purchaser name and firearm details including serial number with the gun. If any of these items are missing from the shipment we will be forced to hold the firearm until such items which are required by law are supplied. We will also be forced to add a \$20.00 charge to help defray the cost of time and phone charges we will incur in trying to get your seller to provide the information required by law.
